### Donations will be distributed through the following programs:

The NORWESCAP Career and Life Transitions Center for Women which provides supportive services to meet the needs of "Displaced Homemakers" in Hunterdon, Mercer, Somerset and Warren Counties. A "Displaced Homemaker" is a person who has lost their primary means of financial support due to: Separation, Divorce, Widowhood, or Disability of Spouse. The Career and Life Transitions Center for Women focuses on providing quality services that will assist women to gain personal and economic self-sufficiency and reach their full potential through education, training, job readiness, community referrals and supportive services.

The NORWESCAP Fatherhood Program- 24/7 Dad which is a collaboration between NORWESCAP's Supporting Youth in Their Communities Program, Family Success Center, and Head Start. This initiative focuses on providing an effective, strengths based, nationally accredited curriculum to a diverse group of fathers, male role models, and male caregivers. The group meets on a weekly basis to discuss issues specific to men and fatherhood. The discussions center on appropriate discipline, communication, work and life balance, manhood, and many more topics. The group is structured into three components: open discussion group, parent-child activities, and educational workshops. [www.norwescap.org](http://www.norwescap.org)
